100% free of
single-use plastic

We decided to clearly stay away from using single-use plastic for our products.

empower.eco

Plastic Positive

We are a plastic positive company. We offset our products plastic footprint by supporting the Scandinavian company Empower.

Together we recover 2 kg of ocean-bound plastic to compensate for the 1kg of plastic used in our products. 2 kg of plastic is the equivalent of 160 PET bottles!
