

# ALPENHEAT

We heat - you smile

the heat is on.

YOUR specialist for heated clothing  
and shoe drying systems

2023/2024

EN

” *Customer satisfaction and sustainability are always our highest priorities.*

## DON'T EVER BE COLD AGAIN!

ALPENHEAT's innovative range of heated products keep you warm and cosy during all kinds of outdoor activities, whether participating actively or as a spectator. Heated under, mid and top layers keep your body warm, heated gloves and mittens your hands and fingers, whilst the heated insoles and heated socks put an end to cold feet. ALPENHEAT shoe dryers gently and hygienically dry your wet shoes, preventing unpleasant odours developing or damage to the material due to dampness. ALPENHEAT neoprene thermo insulation ski boot covers are ideal when skiing. No more slipping on snow and ice thanks to shoe spikes by ALPENHEAT!

### REFRESHING IN SUMMER

In hot weather feel cool and go harder! On demand cooling by ALPENHEAT, designed to solve the problem of overheating. Using new fabric technology, to deliver fast, long-lasting cooling to help enhance performance and well-being by keeping you focused on what you are doing and not on your body temperature.

*Development and continuous improvement of our product range strengthens our position in the market.* ”

MODEL: AD1

Dry4

Shoe dryer

- Quick and powerful – reduces bacteria
- Dries 4 shoes/gloves/helmets/garments simultaneously
- Heat or no heat for leather shoes
- 3 hour timer
- Output: 220 watt
- Size: L: 26 x W: 19 x H: 29,5 cm
- Weight: 1.4 kg

**Set Content:**  
1 dryer (AD1)

MODEL: AC35

FireTube

Extensions for Dry4 (AD1)

ALPENHEAT's FireTube extensions are compatible to use with ALPENHEAT's dryer Dry4 (AD1) and are perfect for drying all types of long boots. Hunters and sports shooters can also use the dryer extension AC35 to dry the silencers of their guns.

- Size: L: 7 x W: 12 x H: 44 cm
- Weight: 0.8 kg (both extensions)

**Set Content:**  
1 pair of extensions (AC35)

MODEL: AD2

UniversalDry

Shoe dryer

- Reduces odour and bacteria
- 3 different attachments (1 pair of shoes, 2 pairs of shoes, 1 pair of long boots)
- Dries shoes/boots/gloves/helmets/hats and other garments
- 2 heat settings
- Controls: On/Off, 3 hour timer
- Output: 230 watt
- Size: L: 23 x W: 18 x H: 37 cm
- Weight: 1 kg

**Set Content:**  
1 dryer (AD2), 3 pairs of attachments, wall mounting fixture

MODEL: AD11

CompactDryIonizer

Shoe dryer

- Reduces odour
- Antibacterial effect thru the Ionizer
- Ideal for drying sweaty and wet footwear
- Extendable and collapsible for compact storage
- Controls: On/Off, 2 hour timer
- Output: 280 watt
- Size: L: 26 x W: 16 x H: 34 cm
- Weight: 1 kg

**Set Content:**  
1 dryer (AD11)

MODEL: AD19

DryBox

Shoe dryer

- Shoes, helmets, gloves etc are not only dried efficiently and gently, but are also freed from germs and bacteria thanks to the ionization function, which prevents unpleasant smells or mold developing
- Automatic mode: combination of drying process and ionization function: 40 minutes
- Drying function: without ionization process: 40 minutes
- Sterilization and deodorization: without drying process: 30 minutes

- Power: 230V~ 50Hz 180W
- Size: 30 x 25.5 x 45.5 cm

**Set Content:**  
1 DryBox

MODEL:  
AD6 (12V orange)  
AD9 (230V orange)  
AD10 (230V green)

Circulation

Shoe dryer

- With built-in UV light to kill bacteria
- Compact, portable and light-weight
- Fits easily in any shoe or boot
- Silently warms in minutes and dries in hours
- Air circulation holes
- Output: max 9 watt
- Size: L: 16 x W: 3 x H: 5 cm
- Weight: 0.2 kg

**Set Content:**  
1 dryer (AD14), 1 adapter (AC36)

MODEL: AD14  
(12V & 100V-240V)

2 in 1 Circulation

Shoe dryer

- 12V plug and adapter with household plug
- Adapter for 100-240V - universal use is possible
- With built-in UV light to kill bacteria
- Compact, portable and light-weight
- Fits easily in any shoe or boot
- Silently warms in minutes and dries in hours
- Air circulation holes
- Output: max 9 watt

- Size: L: 16 x W: 3 x H: 5 cm
- Weight: 0.2 kg

**Set Content:**  
1 dryer (AD14), 1 adapter (AC36)

## MODEL: AD8

### Radiator

#### Shoe dryer

- Silent
- Space saving
- Universal mounting methods:
  - wall
  - floor
  - free-standing
- Power: 230V / 50Hz
- Output: 28 watt
- Size: L: 65 x W: 10 x H: 33 cm
- Weight: 3.5 kg

#### Set Content:

1 dryer (AD8), various screws for mounting on the wall or floor, legs for free-standing

## MODEL: AD8-S

### RadiatorExpand

#### Shoe dryer

- Silent
- Expandable, using just one electricity outlet
- Space saving
- Universal mounting methods:
  - wall
  - floor
  - free-standing
- Power: 230V / 50Hz
- Output: 28 watt

#### Set Content:

1 dryer (AD8S), various screws for mounting on the wall or floor, legs for free-standing

## MODEL: AD16

### Roundabout

#### Shoe dryer

- Silent
- Space saving
- Free-standing
- Dries 2 pair of shoes simultaneously
- Controls: On/Off
- Legs can be dismantled
- Power: 230V / 50Hz
- Output: 30 watt
- Size: L: 33 x W: 32 x H: 33 cm
- Weight: 0.8 kg

#### Set Content:

1 dryer (AD16), various screws and legs for free-standing

## MODEL: AD17

### RadiatorEcoline

#### Shoe dryer

- Silent
- Space saving
- Free-standing
- Dries 4 pair of shoes simultaneously
- Controls: On/Off
- Power: 230V / 50Hz
- Output: 60 watt
- Size: L: 53 x W: 35 x H: 42 cm
- Weight: 2.5 kg

#### Set Content:

1 dryer (AD17), various screws and legs for free-standing

## MODEL: AD18

### Cabin

#### Shoe dryer

- Silent
- Space saving
- Perfect for changing rooms or ski-boot drying rooms
- Controls: On/Off
- Only wall mounting
- Power: 230V / 50Hz
- Output: 40 Watt
- Size: L: 53 x W: 13 x H: 18 cm
- Weight: 1.3 kg

#### Set Content:

1 dryer (AD18), various screws for mounting on the wall

## MODEL: AJ4 BLACK / AJ4G OLIVE GREEN

**FireVest****Heated fleece vest**

- Light-weight and cosy fleece
- Ideal mid-layer for wearing under coats/ jackets/anoraks
- Heat duration 2.5 – 7.5h (BP3)/5 – 14h (BP4)
- Extremely versatile and allows full freedom of movement
- 2-way zip YKK®
- Large heating element in back area
- Washable up to 30° C
- 10 sizes: XS – 6 XL
- Colour: olive green or black
- Material: 100% recycled polyester fleece
- Charging time approx. 4 h (BP3)/8 h (BP4)

**Material:**

85% nylon, 15% spandex

**Set Content:**

- 1 pair of pant liners (AJ6)
- 1 battery pack (BP9)
- 1 USB charger (LG31)

TECHNICAL DATA FOR BATTERY PACKS AND CHARGER FOR AJ4, AJ4G, AJ5, AJ7, AJ9, AJ30, AJ34, AJ34G, AJ35

BP3

- Battery Pack (BP3)**
- High power rechargeable Li-Ion batteries 7.4V / 2.2 Ah / 16.3Wh
  - 4 heat levels
  - Heat duration: 2.5 – 7.5 h
  - Push button operation
  - Battery level indicator
  - Small, light (126g) and compact (57 x 80 x 25 mm)
- Recharger (LG31)**
- USB 5V charger 100-240V 50/60Hz
  - Charging time approx. 4 hours

BP4

TWICE THE CAPACITY

- Battery Pack (BP4)**
- High power rechargeable Li-Ion batteries 7.4V / 4.4 Ah / 32.6Wh
  - 4 heat levels
  - Heat duration: 5 – 14 h
  - Push button operation
  - Battery level indicator
  - Size: 80 x 90 x 25 mm
  - Weight: 225g
- Recharger (LG31)**
- USB 5V charger 100-240V 50/60Hz
  - Charging time approx. 8 hours

MODEL: LG31

- LG31**
- Alpenheat universal USB charger**  
USB 5V charging adapter worldwide use, charging cable with 2 outputs and either EU or US plug: Input: 100-240V/50-60Hz/ max. 0.5A Output: 5V 2.4A
- COMPATIBLE FOR:**
- Heated clothing:**  
AJ4, AJ4G, AJ5, AJ9, AJ34, AJ34G, AJ35, AJ6
- Heated products:**  
AJ7, AJ20, AJ30, AJ32
- Heated gloves:**  
AG1, AG3, AG20, AG21, AG22, AG2
- bootheaters:** AH6
- Set Content:**  
1 USB charger (LG31)

MODEL: ABS, ABM, ABL

- Bootcover**
- Thermal protection insulation layer**
- Fits over any ski boot
  - Well-proven Velcro straps
  - Wind and waterproof
  - Abrasion layer
  - 3 sizes:
    - Small 33 – 37
    - Medium 36 – 42

HEATING AREA

DEVELOPED & DESIGNED  
IN AUSTRIA – SINCE 1993

Right from the beginning, research and development, as well as the manufacture of heating products dominated the company's activities.

In 2023 ALPENHEAT can look back on 30 years full of innovations, further developments and new concepts. During this time, not only has the product range grown, but also the company itself, the competence of the management and employees has reached and maintains an expert status. Through constant improvement, we guarantee longevity and reliability in the form of high quality.

In 2009 Tanja Gragl took over the family business. The head office is in Austria. ALPENHEAT maintains production facilities in Europe and Asia. Also in the future Alpenheat will continue to work steadily on developing ideas and innovations.

We thank you for your trust and look forward to further cooperation.

We heat - you smile.

ALPENHEAT - YOUR specialist for heated clothing  
and shoe drying systems!

*Through steady  
improvement  
we guarantee  
durability  
and reliability  
in the form  
of high quality.*

FIREBOOTBAG

Limited Edition

# SUSTAINABILITY

## SUSTAIN OUR PLANET - PERCEIVE SUSTAINABILITY

There has never been a time in mankind before, when taking care of sustainability was as important as it is now! As a company selling its products worldwide, it is important for us to do it the right way: right for our planet - right for our future - right for ourselves.

## PLASTIC POSITIVE

We are a plastic positive company. We offset our products plastic footprint by supporting the Scandinavian company Empower (<https://empower.eco>). Together we recover 2 kg of ocean-bound plastic to compensate for the 1kg of plastic used in our products. 2 kg of plastic is the equivalent of 160 PET bottles!

Empower is building a global plastic waste ecosystem. This is done by setting up collection points around the world, together with partners who then issue financial rewards in return for the deposit of plastic. All the plastic is registered digitally when deposited, allowing it to be traced through the value chain. This creates transparency and traceability and allows waste flows to be mapped and to ensure that the plastic ends up where it has the highest value and the lowest cost to society. Empower is now in more than 15 countries incentivising the collection of plastic waste, kick-starting waste management systems and building transparency in the supply chains of recyclers and plastic producers.

## 100% FREE OF SINGLE-USE PLASTIC

More than 300 million tons of plastic are produced every year. In Europe, the packaging industry accounts for 40 percent of plastic, which is why we have decided not to use single-use plastic for our products and thus making our contribution to protect the ocean.

## 100% GREEN ELECTRICITY

We are aware of our planet, our climate and our future; therefore we use green electricity at our headquarters and in our warehouse generated 100% from Austrian hydropower.

## RECYCLING

Together with the company Interseroh we make sure that our packaging is recycled saving our planet's resources.
